## Grown-up Social League

Gather your friends, (your foes?) & your family for fun, adult competition with a schoolyard twist. Seven weeks of teams battling each other in games of Volleyball, Dodgeball, and Kickball (and one super-secret mystery sport).

No need for a sitter – bring the kids along. We'll have our Inflatables, Wii area & other activities available for the kids. Or they can cheer you on! Online league standings will be kept and full concessions will be available. \*Skip 10/30/10.
